

Table 2 Changes in antioxidant content of rice leaves under high temperature stress

Processing Group	Glutathione content ( $\mu\text{mol/g}$ fresh weight of leaves)	Ascorbic acid content ( $\mu\text{mol/g}$ fresh weight of leaves)
Control group	8.2	2.5
High temperature treatment group	15.6	5.83.2
High temperature treatment group	10.3	3.2
